

SPAREXCHANGE TERMS AND CONDITIONS

Effective Date: [Insert Effective Date]

Last Updated: [Insert Last Updated Date]

Welcome to SpareXchange. These Terms and Conditions (“Terms”) govern access to and use of the SpareXchange platform, including its website, services, features, and functionalities related to spare part exchange, technician services, recycling coordination, dispute resolution, and user interaction.

By registering, accessing, or using SpareXchange, users acknowledge that they have read, understood, and agreed to comply with these Terms and Conditions. Users who do not agree with these Terms should discontinue use of the platform.

SpareXchange operates as an intermediary digital platform that facilitates communication and interaction among users, technicians, recyclers, and administrators. SpareXchange does not directly own, manufacture, inspect, sell, purchase, repair, or physically deliver spare parts unless otherwise explicitly stated.

1. Definitions

For the purpose of clarity, consistency, and interpretation, the following terms shall have the meanings assigned below:

1.1 SpareXchange

“SpareXchange,” “Platform,” “we,” “our,” or “us” refers to the digital system and related services that facilitate spare part exchange, technician coordination, recycling activities, dispute resolution, and user interaction.

1.2 User

A “User” refers to any individual who registers and accesses SpareXchange for browsing listings, requesting services, participating in recycling activities, or interacting with platform functionalities.

Users may include:

- Standard Users
- Verified Users

- Technicians
 - Recyclers
 - Administrators
-

1.3 Verified User

A “Verified User” refers to a registered user whose identity or required supporting documentation has been reviewed and approved through the platform verification process.

Verification may grant access to additional functionalities, including but not limited to:

- Posting spare listings
- Participating in verified exchanges
- Redeeming eco-points
- Accessing restricted platform features

Verification status does not constitute a legal guarantee of identity, trustworthiness, ownership, expertise, or reliability.

1.4 Technician

A “Technician” refers to an independently registered and approved service provider who offers technical repair, installation, maintenance, or consultation services through SpareXchange.

Technicians are independent actors and are not employees, representatives, agents, contractors, or legal affiliates of SpareXchange.

1.5 Recycler

A “Recycler” refers to a verified individual, organization, or authorized entity participating in responsible spare part recycling, waste handling, or environmentally sustainable disposal activities through the platform.

Recycler verification may include document validation, license review, or administrative approval.

1.6 Administrator

An “Administrator” refers to an authorized platform manager responsible for moderation, verification, dispute handling, content review, account management, system monitoring, and policy enforcement.

Administrators may suspend accounts, remove content, review reports, and enforce platform standards where necessary.

1.7 Spare Listing

A “Spare Listing” refers to any spare part, equipment component, item description, image, or related information submitted by a user for exchange, reuse, sale discussion, donation, or transfer through the platform.

Listings may include:

- Product title
 - Description
 - Condition information
 - Images
 - Availability status
 - Category details
-

1.8 Exchange

“Exchange” refers to any arrangement, agreement, transfer, sale discussion, donation, reuse process, or negotiated transaction between users involving spare parts or related services facilitated through SpareXchange.

SpareXchange only facilitates interaction and does not act as a direct party to such exchanges.

1.9 Recycling Activity

“Recycling Activity” refers to the submission, collection, validation, disposal, reuse, refurbishment, or environmentally responsible handling of recyclable spare parts or related materials through approved recyclers.

1.10 Eco-Points

“Eco-Points” refer to non-monetary digital incentive points awarded to users for approved recycling activities or environmentally responsible participation on the platform.

Eco-points:

- Have no cash value
- Are non-transferable

- Cannot be converted into legal currency
 - May only be redeemed according to platform rules
-

1.11 Verification

“Verification” refers to the process by which SpareXchange reviews submitted documents, identity information, licenses, or supporting materials to determine eligibility for restricted platform features.

Verification does not guarantee:

- Legal ownership
 - Product quality
 - Service quality
 - Identity authenticity
 - Commercial reliability
-

1.12 Dispute

A “Dispute” refers to any complaint, disagreement, claim, conflict, dissatisfaction, or misunderstanding arising between platform participants concerning:

- Spare exchanges
 - Technician services
 - Recycling activities
 - User behavior
 - Listing authenticity
 - Misrepresentation
-

1.13 Content

“Content” refers to any information uploaded, posted, transmitted, stored, or shared through the platform, including but not limited to:

- Text
 - Images
 - Spare listings
 - Messages
 - Verification documents
 - Comments
 - Notifications
-

1.14 Prohibited Items

“Prohibited Items” refer to goods, materials, or products that are unlawful, dangerous, counterfeit, stolen, hazardous, environmentally unsafe, restricted by Ethiopian law, or otherwise prohibited by SpareXchange policies.

1.15 Intermediary Platform

An “Intermediary Platform” refers to a digital system that enables communication, interaction, listing visibility, and service coordination among users without directly participating as the owner, seller, purchaser, transporter, or guarantor of exchanged goods or services.

SpareXchange operates strictly as an intermediary platform.

1.16 Personal Data

“Personal Data” refers to any information that may directly or indirectly identify an individual user, including but not limited to:

- Name
- Email address
- Phone number
- Profile information
- Verification documents
- Account credentials

Personal data handling is governed by the SpareXchange Privacy Policy.

2. Eligibility

To access or use SpareXchange, users must meet the following eligibility requirements:

2.1 Minimum Eligibility Requirements

Users must:

- Be legally capable of entering digital agreements under applicable laws;
- Provide accurate and complete registration information;
- Use the platform in compliance with Ethiopian laws, regulations, and these Terms;
- Maintain truthful profile information during platform use.

Users who provide false, misleading, incomplete, or fraudulent information may face suspension or termination of platform access.

2.2 Account Responsibility

Users are solely responsible for activities performed under their accounts. Users agree to:

- Maintain the confidentiality of login credentials;
- Protect passwords and authentication details;
- Notify SpareXchange of unauthorized access or suspicious account activity.

Failure to secure account credentials may result in unauthorized use for which SpareXchange shall not be held responsible.

2.3 Verification Eligibility

Certain functionalities are restricted to verified participants.

To access features such as:

- Posting spare listings
- Technician registration
- Recycler participation
- Eco-point redemption

users may be required to complete identity or eligibility verification procedures.

Verification requirements may vary depending on the role requested.

2.4 Restricted Access

SpareXchange reserves the right to deny, suspend, restrict, or terminate access where:

- False documentation is submitted;
 - Fraudulent activity is suspected;
 - Platform misuse occurs;
 - Prohibited goods or services are involved;
 - Safety, security, or compliance concerns arise.
-

2.5 Geographic Scope

SpareXchange is designed primarily for use within Ethiopia and operates in accordance with applicable Ethiopian laws and regulations relating to digital interaction, electronic transactions, consumer protection, and platform governance.

Availability of certain services may vary depending on region, infrastructure, and operational feasibility.

3. Account Registration & Verification

3.1 Account Registration

To access certain features of SpareXchange, users may be required to create an account. During registration, users agree to provide accurate, complete, and up-to-date information.

Registration information may include, but is not limited to:

- Full name
- Email address
- Phone number
- Username
- Password credentials
- Geographic location (where applicable)

Users shall ensure that all submitted information remains accurate throughout their use of the platform.

SpareXchange reserves the right to reject registration requests or restrict account creation where suspicious, misleading, duplicate, fraudulent, or incomplete information is identified.

3.2 Account Types

SpareXchange supports different account categories to enable role-based access and platform functionality.

These account categories include:

a) Standard User

A standard user may:

- Browse spare listings
- Search available spare parts
- Request technician services
- Participate in recycling activities
- Submit disputes or complaints

Standard users may have restricted access to certain advanced functionalities.

b) Verified User

Verified users are granted access to additional platform features following successful identity verification.

Verified users may:

- Create and manage spare listings
 - Participate in verified exchanges
 - Earn and redeem eco-points
 - Access additional platform privileges
-

c) Technician

Technician accounts are intended for individuals offering repair, maintenance, installation, or technical assistance services.

Technicians may:

- Receive service requests
- Manage technician availability
- Respond to users seeking technical support
- Participate in spare exchanges where permitted

Technician accounts may require additional review or credential validation.

d) Recycler

Recycler accounts are intended for approved individuals or entities involved in environmentally responsible waste handling or spare-part recycling.

Recyclers may:

- Review recycling submissions
- Validate recyclable items
- Participate in eco-point workflows
- Provide environmentally responsible disposal services

Recycler participation may require administrative approval.

e) Administrator

Administrator accounts possess elevated system privileges intended solely for platform management, moderation, verification, dispute handling, monitoring, and enforcement purposes.

Administrative privileges are strictly controlled.

3.3 Account Authentication and Security

Users are responsible for maintaining the confidentiality of account credentials.

Users shall:

- Protect usernames and passwords;
- Avoid sharing authentication credentials;
- Log out from shared devices;
- Immediately report suspected unauthorized access.

SpareXchange implements reasonable technical safeguards to secure authentication processes; however, users remain responsible for maintaining account security on their devices.

Unauthorized access resulting from user negligence shall not create liability for SpareXchange.

3.4 Verification Process

Certain platform functionalities require successful verification before access is granted.

Verification may include:

- Identity confirmation
- Profile validation
- Supporting documentation review
- Technician qualification review
- Recycler license or operational legitimacy review

The verification process exists to enhance trust, platform integrity, and safety.

Submission of verification documents does not automatically guarantee approval.

3.5 Verification Review and Approval

Verification requests are reviewed by authorized administrators.

SpareXchange reserves the right to:

- Approve verification requests;
- Reject incomplete applications;
- Request additional documentation;
- Suspend verification privileges;
- Revoke verified status where misuse is identified.

Verification decisions may consider:

- Information accuracy;
- Authenticity of submitted documents;
- Consistency of user activity;
- Compliance with platform requirements.

Administrative decisions regarding verification are final unless otherwise reviewed internally.

3.6 Verification Limitations

Verification on SpareXchange serves as a platform-level trust mechanism and shall not be interpreted as:

- A legal certification;
- Professional accreditation;
- Government approval;
- Ownership confirmation;
- A guarantee of honesty, quality, or reliability.

Users remain responsible for independently assessing exchange participants, technicians, recyclers, and associated risks.

3.7 Suspension or Termination of Accounts

SpareXchange may temporarily suspend or permanently terminate accounts where users:

- Provide false information;
- Impersonate others;
- Submit fraudulent verification documents;
- Misuse platform services;
- Violate these Terms;
- Engage in harmful, illegal, deceptive, abusive, or fraudulent conduct.

Where practical, SpareXchange may notify affected users before enforcement actions are taken.

However, immediate action may be taken when platform security or user safety is threatened.

4. User Responsibilities

Users of SpareXchange agree to use the platform responsibly, lawfully, and in good faith.

Users are expected to conduct themselves honestly and professionally while interacting with others.

By using the platform, users accept responsibility for their actions, listings, communications, exchanges, and service engagements.

4.1 Accuracy of Information

Users shall provide truthful, complete, and accurate information when:

- Registering accounts;
- Posting spare listings;
- Communicating with other users;
- Submitting verification materials;
- Participating in technician or recycler activities.

Misleading, deceptive, false, or intentionally inaccurate information is prohibited.

4.2 Compliance with Applicable Laws

Users agree to comply with all applicable Ethiopian laws, regulations, and legal obligations while using SpareXchange.

Users shall not use the platform for:

- Illegal trade;
 - Fraudulent activity;
 - Misrepresentation;
 - Unauthorized repair services;
 - Sale or exchange of unlawful goods;
 - Harmful or deceptive activities.
-

4.3 Responsible Conduct

Users shall interact respectfully with other platform participants.

Users must not:

- Harass or threaten others;
- Use abusive language;
- Discriminate against individuals;
- Engage in deceptive negotiations;
- Submit false complaints or disputes.

Professional and respectful interaction is expected at all times.

4.4 Security Responsibilities

Users are responsible for:

- Protecting account credentials;
- Preventing unauthorized access;
- Using secure devices where possible;
- Maintaining reasonable cybersecurity practices.

Users should immediately report suspicious activity to SpareXchange administrators.

4.5 User Responsibility for Transactions and Agreements

SpareXchange acts solely as an intermediary platform.

Users are fully responsible for:

- Verifying item authenticity;
- Confirming spare part condition;
- Negotiating agreements;
- Confirming technician qualifications;
- Inspecting exchanged items;
- Managing offline meetings or exchanges.

Users acknowledge that interactions conducted outside the platform occur at their own risk.

4.6 Reporting Violations

Users are encouraged to report:

- Fraudulent listings;
- Counterfeit items;
- Suspicious behavior;

- Abuse or harassment;
- Unauthorized technician activities;
- Misleading recycling practices.

Reports may be reviewed by administrators for appropriate action.

5. Spare Listings & Exchanges

5.1 Purpose of Spare Listings

SpareXchange provides a platform through which eligible users may publish spare part listings for exchange, reuse, donation, repair assistance, or lawful sale discussions.

SpareXchange does not directly own, inspect, sell, store, transport, or guarantee any listed spare part.

The platform only facilitates communication and interaction among participants.

5.2 Listing Eligibility

Only users meeting platform requirements may create spare listings.

Depending on platform rules, listing privileges may require:

- Verified user status;
- Technician approval;
- Compliance with verification requirements.

SpareXchange reserves the right to restrict listing access for safety and quality assurance purposes.

5.3 Listing Accuracy and Ownership

Users posting spare listings must ensure that:

- Listings accurately describe the spare part;
- Images represent the actual item;
- Ownership or lawful possession exists;
- Descriptions are truthful and not misleading;
- Condition information is disclosed honestly.

Users must not list items they do not legally own or have permission to exchange.

False representation may result in listing removal or account suspension.

5.4 Permitted Spare Listings

Listings may include:

- Automotive spare parts
- Electronic components
- Repairable items
- Reusable spare materials
- Refurbished components
- Accessories related to lawful repair or maintenance

All listed items must comply with Ethiopian laws and platform policies.

5.5 Prohibited Listings and Restricted Goods

The following items are prohibited on SpareXchange:

- Stolen goods;
- Counterfeit or fake products;
- Illegal items;
- Dangerous or hazardous materials;
- Weapons or restricted equipment;
- Environmentally harmful waste;
- Fraudulent or deceptive listings;
- Items prohibited under Ethiopian law.

SpareXchange reserves the right to remove prohibited listings without notice.

Repeated violations may result in account termination.

5.6 Exchange Process

Users are independently responsible for negotiating exchanges.

SpareXchange may facilitate:

- Listing visibility;
- Messaging functionality;
- Request coordination;

- Notification systems.

However, SpareXchange shall not be responsible for:

- Failed exchanges;
- Non-delivery of items;
- Item defects;
- Misrepresentation;
- Payment disputes;
- Offline disagreements.

Users are strongly encouraged to inspect items carefully before completing exchanges.

5.7 Listing Moderation

Administrators may review listings to maintain platform integrity.

SpareXchange reserves the right to:

- Edit listing visibility;
- Remove inappropriate content;
- Suspend misleading listings;
- Investigate suspicious activities.

Moderation decisions are intended to protect platform users and maintain trust.

5.8 Platform Limitation Regarding Exchanges

SpareXchange does not:

- Guarantee listing quality;
- Guarantee spare authenticity;
- Verify every item physically;
- Participate in exchange agreements;
- Mediate every negotiation.

Users acknowledge that they assume responsibility for decisions made during exchanges facilitated through the platform.

6. Technician Services

6.1 Nature of Technician Services

SpareXchange provides a digital environment through which users may connect with technicians for repair, installation, maintenance, diagnostics, consultation, or other technical support services.

Technician services available on SpareXchange are offered independently by registered technicians and are not directly provided, supervised, or controlled by SpareXchange.

SpareXchange acts solely as an intermediary platform that facilitates communication and service coordination between users and technicians.

6.2 Technician Eligibility and Verification

Individuals seeking to operate as technicians on SpareXchange may be required to complete an approval or verification process before accessing technician privileges.

Verification may include:

- Identity confirmation;
- Technical skill documentation;
- Professional certification (where applicable);
- Experience review;
- Additional supporting information.

SpareXchange reserves the right to approve, reject, suspend, or revoke technician status where platform standards are not met.

Verification shall not be interpreted as:

- Professional licensing;
- Government accreditation;
- A guarantee of competence;
- A guarantee of service quality.

Users remain responsible for independently evaluating technicians prior to engaging in services.

6.3 Technician Responsibilities

Technicians agree to:

- Provide accurate profile information;
- Communicate honestly and professionally;
- Avoid misleading claims regarding skills or experience;
- Perform services in a safe and lawful manner;
- Respect agreed service arrangements;
- Avoid deceptive or fraudulent conduct.

Technicians shall not:

- Impersonate licensed professionals;
- Submit false credentials;
- Misrepresent technical abilities;
- Engage in unsafe repair practices;
- Exploit or deceive users.

Violation of these obligations may result in suspension or permanent removal from the platform.

6.4 Service Requests and Communication

Users may request technician services through the platform using available request functionalities.

Service requests may include:

- Repair assistance;
- Maintenance requests;
- Installation support;
- Technical consultation;
- Spare-related troubleshooting.

Technicians may:

- Accept requests;
- Decline requests;
- Communicate service availability;
- Negotiate service arrangements.

SpareXchange does not guarantee technician availability or service acceptance.

6.5 Service Agreements

Any agreement between users and technicians is made independently between the parties.

Users and technicians are solely responsible for:

- Negotiating service scope;
- Determining timelines;
- Agreeing on pricing (where applicable);
- Managing service outcomes;
- Resolving disagreements.

SpareXchange is not a party to service agreements and shall not assume contractual responsibility for technician engagements.

6.6 Safety and Service Disclaimer

Users acknowledge that technical repair services may involve risks.

SpareXchange shall not be liable for:

- Property damage;
- Faulty repairs;
- Equipment malfunction;
- Service dissatisfaction;
- Personal injury;
- Financial losses arising from technician activities.

Users are encouraged to verify technician suitability and exercise reasonable caution before proceeding with services.

6.7 Technician Conduct Monitoring

To maintain trust and platform integrity, SpareXchange may monitor technician behavior through:

- User feedback;
- Complaints;
- Ratings or reviews;
- Administrative investigations.

Technician accounts may be restricted or removed where repeated misconduct, abuse, fraud, negligence, or policy violations occur.

7. Recycling Services

7.1 Purpose of Recycling Services

SpareXchange promotes environmentally responsible practices through recycling coordination services.

The platform enables users to connect with approved recyclers for the collection, reuse, refurbishment, or proper disposal of recyclable spare parts and related materials.

Recycling services are intended to support sustainable waste reduction and responsible resource reuse.

7.2 Recycler Participation

Only approved recyclers may participate in recycling validation activities.

Recycler approval may require:

- Identity verification;
- License review (where applicable);
- Proof of recycling legitimacy;
- Administrative approval.

SpareXchange reserves the right to review recycler eligibility periodically.

7.3 Recycling Submissions

Users may submit recyclable items through the platform for review by recyclers.

Recyclable submissions may include:

- Damaged spare parts;
- Electronic components;
- Repairable materials;
- End-of-life reusable equipment;
- Other approved recyclable items.

Users are responsible for providing accurate descriptions of submitted materials.

7.4 Recycler Responsibilities

Approved recyclers agree to:

- Review submitted items honestly;
- Follow environmentally responsible handling practices;
- Avoid deceptive validation activities;
- Accurately report recycling outcomes;
- Comply with applicable environmental and legal obligations.

Recycler misconduct may result in suspension or permanent removal from SpareXchange.

7.5 Prohibited Recycling Materials

SpareXchange may prohibit the submission of certain hazardous, unlawful, or restricted materials.

Restricted materials may include:

- Illegal substances;
- Explosive materials;
- Dangerous chemicals;
- Toxic waste requiring specialized handling;
- Materials prohibited by Ethiopian environmental regulations.

SpareXchange reserves the right to reject unsafe or prohibited recycling submissions.

7.6 Eco-Points System

Eligible recycling participation may result in the awarding of Eco-Points.

Eco-points are platform-based incentive credits intended to encourage environmentally responsible behavior.

Eco-points:

- Hold no monetary value;
- Are non-transferable;
- Cannot be exchanged for legal tender;
- May be redeemed only through approved platform functionality.

SpareXchange reserves the right to modify, suspend, or discontinue eco-point programs without prior notice.

7.7 Limitation of Responsibility

SpareXchange does not physically handle recyclable materials and does not guarantee:

- Recycler conduct;
- Recycling outcomes;
- Environmental compliance by third parties;
- Disposal practices performed outside platform control.

Users acknowledge that recycling interactions occur independently between participants.

8. Disputes

8.1 Purpose of Dispute Resolution

SpareXchange provides a dispute resolution mechanism to support fair handling of conflicts that may arise between users, technicians, recyclers, or other platform participants.

The dispute process is intended to promote transparency, accountability, and responsible platform use.

8.2 Types of Disputes

Disputes may arise from:

- Spare listing misrepresentation;
 - Item condition disagreements;
 - Failed exchanges;
 - Technician service dissatisfaction;
 - Recycler-related complaints;
 - Misconduct or abusive behavior;
 - Fraudulent activity;
 - Communication disputes.
-

8.3 Submitting a Dispute

Users may submit disputes through designated platform mechanisms.

A dispute submission should include:

- A clear explanation of the issue;
- Relevant dates and interactions;
- Supporting screenshots or evidence;
- User identification details where necessary.

Submitting intentionally false complaints is prohibited.

8.4 Administrative Review

Upon receiving a dispute, SpareXchange administrators may:

- Review submitted information;
- Request additional evidence;

- Contact involved parties;
- Investigate platform activity logs;
- Facilitate communication between participants.

Administrative review aims to support fairness but may be limited by available evidence.

8.5 Resolution Outcomes

Following review, SpareXchange may:

- Provide warnings;
- Remove misleading content;
- Suspend accounts;
- Revoke verification privileges;
- Restrict user access;
- Recommend corrective actions.

Dispute outcomes may vary depending on severity, available evidence, and policy compliance.

8.6 Platform Limitation in Disputes

Users acknowledge that SpareXchange is an intermediary platform and does not directly participate in transactions or service agreements.

Accordingly, SpareXchange:

- Does not guarantee outcomes;
- Does not act as a legal arbitrator;
- Does not provide legal representation;
- Does not guarantee compensation or reimbursement.

Where disputes involve unlawful conduct or serious harm, users may seek appropriate remedies through competent Ethiopian authorities or legal institutions.

8.7 Abuse of Dispute Mechanism

Users shall not misuse the dispute process by:

- Filing knowingly false claims;
- Harassing other users;
- Submitting fabricated evidence;
- Repeatedly abusing reporting mechanisms.

Improper use of dispute systems may result in disciplinary action, including account suspension or termination.

9. Prohibited Conduct

9.1 Purpose

To maintain a secure, trustworthy, lawful, and professional platform environment, all users of SpareXchange are required to comply with acceptable conduct standards while accessing or using the platform.

Users shall refrain from engaging in activities that may harm the platform, other users, technicians, recyclers, administrators, or the integrity of SpareXchange services.

Violation of this section may result in warnings, content removal, account suspension, termination, or legal reporting where necessary.

9.2 Fraudulent or Misleading Conduct

Users shall not engage in deceptive, dishonest, or fraudulent activities, including but not limited to:

- Creating false identities or fake accounts;
- Impersonating another person, technician, recycler, organization, or administrator;
- Submitting forged, altered, or misleading verification documents;
- Misrepresenting the ownership, condition, authenticity, or legality of spare parts;
- Providing intentionally false descriptions or manipulated images;
- Making deceptive claims regarding technician skills, certifications, or qualifications.

Any form of fraudulent conduct may result in immediate account restriction and investigation.

9.3 Prohibited Goods and Illegal Activities

Users are prohibited from posting, exchanging, requesting, or facilitating goods or activities that violate Ethiopian laws or platform policies.

Prohibited items include, but are not limited to:

- Stolen property;
- Counterfeit or imitation products;
- Illegal spare parts;
- Hazardous or toxic materials;
- Explosives or dangerous substances;

- Weapons or restricted equipment;
- Environmentally unsafe waste;
- Materials restricted under Ethiopian environmental or trade regulations.

Users remain solely responsible for ensuring the legality of goods exchanged through the platform.

SpareXchange reserves the right to remove suspicious content without prior notice.

9.4 Abuse, Harassment, and Harmful Conduct

Users shall treat others respectfully and professionally.

The following behaviors are strictly prohibited:

- Harassment or intimidation;
- Hate speech or discriminatory language;
- Threatening behavior;
- Offensive, abusive, or harmful communication;
- Bullying or coercion;
- Repeated unwanted contact.

SpareXchange maintains a zero-tolerance policy toward abusive conduct.

9.5 Misuse of Platform Systems

Users shall not misuse or interfere with platform functionality.

Prohibited technical activities include:

- Attempting unauthorized system access;
- Circumventing security controls;
- Introducing malware, viruses, or malicious code;
- Scraping or harvesting platform data without permission;
- Manipulating system vulnerabilities;
- Performing denial-of-service or disruptive activities;
- Attempting unauthorized administrator access.

Users shall not reverse engineer, tamper with, or intentionally compromise platform functionality.

9.6 Misuse of Technician and Recycler Services

Users shall not:

- Exploit technician services unfairly;
- Submit intentionally false service requests;
- Abuse recycler validation systems;
- Fraudulently obtain eco-points;
- Manipulate recycling records.

Technicians and recyclers shall likewise avoid exploiting users or engaging in dishonest service practices.

9.7 False Reporting and Dispute Abuse

Users shall not misuse reporting or dispute mechanisms.

Prohibited conduct includes:

- Filing intentionally false complaints;
- Fabricating evidence;
- Harassing others through repeated reports;
- Manipulating moderation outcomes.

Improper use of reporting systems may result in enforcement action.

9.8 Intellectual Property Violations

Users shall not upload or share content that violates intellectual property rights.

Users must ensure they possess necessary ownership or permission for:

- Images;
- Product photos;
- Documentation;
- Uploaded content.

SpareXchange may remove infringing material upon review.

9.9 Enforcement Actions

Where prohibited conduct is identified, SpareXchange may take appropriate action, including:

- Content removal;
- Warning issuance;

- Temporary suspension;
- Permanent account termination;
- Restriction of privileges;
- Reporting unlawful conduct to relevant authorities where legally required.

Administrative enforcement decisions are intended to protect platform integrity and user safety.

10. Liability and Disclaimer

10.1 Nature of Platform Responsibility

SpareXchange operates as an intermediary digital platform that facilitates interaction among users, technicians, recyclers, and administrators.

SpareXchange does not:

- Own listed spare parts;
- Conduct physical inspections;
- Participate directly in transactions;
- Employ technicians;
- Guarantee recycling outcomes;
- Guarantee user conduct.

Accordingly, users acknowledge that SpareXchange primarily provides a digital coordination service.

10.2 User Assumption of Risk

Users acknowledge that participation in spare exchanges, technician services, and recycling activities involves certain risks.

These risks may include:

- Item defects;
- Misrepresentation;
- Failed exchanges;
- Service dissatisfaction;
- Delayed communication;
- Technician negligence;
- Recycler misconduct;
- Offline safety concerns.

Users participate at their own discretion and assume reasonable responsibility for decisions made during interactions.

10.3 No Guarantee of Services or Listings

SpareXchange does not guarantee:

- Accuracy of listings;
- Authenticity of spare parts;
- Service quality;
- Technician expertise;
- Recycler compliance;
- User honesty;
- Availability of services.

Verification status shall not be interpreted as a warranty or guarantee of reliability.

10.4 Limitation of Liability

To the maximum extent permitted under applicable law, SpareXchange shall not be liable for:

- Financial loss;
- Property damage;
- Personal injury;
- Fraud committed by users;
- Loss arising from technician services;
- Failed exchanges;
- Defective spare parts;
- Communication breakdowns;
- Service dissatisfaction;
- Unauthorized offline arrangements.

SpareXchange's liability, where legally established, shall be limited to the extent permitted under Ethiopian law.

10.5 Platform Availability

While SpareXchange aims to maintain reliable service availability, uninterrupted operation cannot be guaranteed.

Temporary disruptions may occur due to:

- Maintenance activities;

- Internet interruptions;
- Server failures;
- Security incidents;
- Technical limitations;
- Third-party service outages.

SpareXchange shall not be held responsible for temporary service interruptions beyond reasonable control.

10.6 Third-Party Services

SpareXchange may rely on external technologies or third-party integrations, including but not limited to:

- Cloud storage services;
- Mapping services;
- Authentication systems;
- Communication infrastructure.

SpareXchange is not responsible for failures, inaccuracies, or disruptions originating from third-party services.

10.7 Indemnification

Users agree to indemnify and hold harmless SpareXchange against claims, damages, losses, liabilities, or expenses arising from:

- Violations of these Terms;
- Misuse of the platform;
- Illegal conduct;
- Infringement of third-party rights;
- Disputes arising from user activities.

This clause is intended to protect platform integrity and lawful operation.

10.8 Disclaimer of Professional Advice

Information available through SpareXchange, including technician interactions, recommendations, listings, or platform content, shall not be interpreted as professional, legal, engineering, or safety advice.

Users should exercise independent judgment before relying on services or technical guidance.

11. Governing Law and Jurisdiction

11.1 Applicable Law

These Terms and Conditions shall be governed and interpreted in accordance with the laws of the Federal Democratic Republic of Ethiopia, including but not limited to applicable laws concerning:

- Electronic transactions;
- Consumer protection;
- Digital communications;
- Contractual obligations;
- Environmental practices;
- Online platform governance.

Users agree to comply with all applicable Ethiopian legal and regulatory requirements while using SpareXchange.

11.2 Electronic Transactions

Users acknowledge that electronic interactions conducted through SpareXchange may be recognized under applicable Ethiopian electronic transaction frameworks.

Actions such as:

- Account registration;
- Acceptance of Terms;
- Submission of verification documents;
- Electronic communication;
- Platform notifications

may constitute legally recognized digital interactions where permitted by law.

11.3 Dispute Jurisdiction

In the event of disputes that cannot be reasonably resolved through platform mechanisms, users agree that matters may be subject to the jurisdiction of competent courts or legally authorized institutions within Ethiopia.

Users are encouraged to seek amicable resolution where possible before pursuing formal legal action.

11.4 Compliance with Regulatory Authorities

SpareXchange reserves the right to cooperate with lawful requests, investigations, or legal obligations issued by competent Ethiopian authorities where required by law.

This may include cooperation concerning:

- Fraud investigations;
- Illegal activity;
- Safety concerns;
- Regulatory compliance matters.

11.5 Severability

If any provision of these Terms is determined to be invalid, unlawful, or unenforceable under applicable Ethiopian law, the remaining provisions shall continue to remain effective and enforceable to the fullest extent permitted.

11.6 Good Faith Interpretation

These Terms shall be interpreted reasonably and in good faith to support platform integrity, fairness, lawful use, and responsible digital participation within SpareXchange.

12. Suspension and Termination

12.1 Right to Suspend or Terminate Access

SpareXchange reserves the right to suspend, restrict, disable, or permanently terminate user access to the platform where necessary to protect platform integrity, user safety, legal compliance, and operational reliability.

Such actions may be taken with or without prior notice depending on the seriousness of the violation, associated risks, and platform security concerns.

12.2 Grounds for Suspension or Termination

A user account may be suspended or terminated where SpareXchange reasonably determines that the user has:

- a) Violated these Terms and Conditions

Including but not limited to:

- Breach of platform policies;
 - Abuse of platform services;
 - Misuse of technician or recycler systems;
 - Violation of acceptable conduct standards.
-

b) Submitted False or Misleading Information

Including:

- Fake identity information;
- Forged verification documents;
- Misleading technician credentials;
- Fraudulent recycler documentation;
- False spare listings.

Accuracy and honesty are essential for maintaining platform trust.

c) Engaged in Fraudulent or Illegal Conduct

Including:

- Scams or deceptive activities;
- Sale or exchange of unlawful goods;
- Fraudulent spare listings;
- Identity theft or impersonation;
- Illegal repair or recycling practices;
- Activities prohibited under Ethiopian law.

Where legally required, SpareXchange may report unlawful conduct to competent authorities.

d) Threatened Platform Security

Including:

- Unauthorized system access;
- Attempted hacking or cyberattacks;
- Introduction of malicious software;
- Exploitation of technical vulnerabilities;
- Interference with platform functionality.

Security-related violations may result in immediate enforcement actions.

e) Harmed Other Users or Platform Trust

Including:

- Harassment or abusive behavior;
- Repeated misconduct;
- Misleading exchanges;
- Repeated unresolved complaints;
- Abuse of dispute mechanisms;
- Manipulation of eco-point systems.

SpareXchange prioritizes maintaining a safe and respectful platform environment.

12.3 Temporary Suspension

In some circumstances, SpareXchange may impose temporary restrictions instead of permanent termination.

Temporary suspension may occur for purposes such as:

- Investigation of suspicious activity;
- Verification review;
- Complaint resolution;
- Security assessment;
- Corrective compliance measures.

During suspension, users may lose access to some or all platform functionalities.

12.4 Permanent Termination

Serious or repeated violations may result in permanent account termination.

Upon termination, SpareXchange may:

- Disable account access;
- Remove user-generated content;
- Revoke verification privileges;
- Restrict future account registration;
- Preserve records where legally required.

Users whose accounts are terminated shall cease using the platform immediately.

12.5 User-Initiated Account Termination

Users may voluntarily stop using SpareXchange and request account deletion where functionality permits.

However, certain information may be retained for legitimate operational, legal, or security reasons, including:

- Fraud prevention;
- Dispute resolution;
- Legal compliance;
- Platform security;
- Recordkeeping obligations.

Data retention practices are further explained in the Privacy Policy.

12.6 No Liability for Enforcement Actions

Users acknowledge that SpareXchange shall not be liable for losses resulting from lawful or reasonable suspension, restriction, moderation, or termination actions taken in good faith to protect:

- Platform integrity;
- User safety;
- Security;
- Legal compliance;
- Community standards.

Administrative decisions are intended to maintain a fair and trustworthy environment.

12.7 Appeal and Review

Where practical, users may request review of enforcement actions by contacting SpareXchange administrators.

Appeals may be considered based on:

- Supporting evidence;
- Clarification of circumstances;
- Administrative discretion;
- Platform policy compliance.

Submission of an appeal does not guarantee reinstatement.

13. Contact Information

13.1 General Inquiries

For questions, concerns, technical issues, policy clarifications, or platform-related communication, users may contact SpareXchange through officially designated communication channels.

Users are encouraged to contact the platform for matters relating to:

- Account support;
 - Verification issues;
 - Spare listing concerns;
 - Technician-related questions;
 - Recycling coordination;
 - Dispute submissions;
 - Privacy concerns;
 - Policy clarification.
-

13.2 Administrative Contact

Users may contact SpareXchange administrators regarding:

- Account suspension or appeals;
- Fraud reporting;
- Misconduct complaints;
- Content moderation concerns;
- Verification requests;
- Technical problems.

Administrative communication shall be handled in a reasonable timeframe depending on the nature and urgency of the request.

13.3 Official Communication Channels

Official communication channels may include:

Email: [Insert Official Email Address]

Website: [Insert Website URL]

Support Center: [Insert Support Link if applicable]

Office Address (Optional): [Insert Address if applicable]

Users are encouraged to rely only on officially recognized communication channels to avoid scams or unauthorized communication.

13.4 Policy Questions

Questions regarding these Terms and Conditions, including interpretation, obligations, or enforcement, may be directed to SpareXchange through official support channels.

SpareXchange values transparency and encourages responsible communication concerning platform governance.

13.5 Updates to Contact Information

SpareXchange reserves the right to modify communication channels, support methods, or contact details where operational needs require.

Updated contact information may be communicated through the platform or published on official pages.

By continuing to access or use SpareXchange, users acknowledge that they have read, understood, and agreed to be bound by these Terms and Conditions.
